Charge to the Church

As we gather to ordain these servants, we are reminded of our shared calling to serve one another in love. Their role is one of compassion, care, and service to the body of Christ and the world. As members of this church, it is your duty and privilege so support these individuals in their ministry.

Do you, Second Baptist, recognize the commitment these servants are making today?

Will you uphold them in prayer, encourage them in their service, and assist them for their willingness to serve?
